

Biography

Paul Kalogirou

Managing Director, Head of Client Portfolio Management, APAC & Global Multi-Asset Client Portfolio Manager, Multi-Asset Solutions Team, Asia,

Paul Kalogirou, managing director and Client Portfolio Manager, within the Multi-Asset Solutions Team (MAST) at Manulife Investment Management (MIM). MAST is tasked with the delivery of cross-asset class investment solutions that include pension and retirement solutions, risk management- and outcome-oriented solutions, and multi-manager portfolios including both public and private assets. Solutions may be absolute return, peer- or benchmark-relative and are delivered in many formats including mutual fund (including fund-of-fund), pooled, segregated and customized.

MAST designs bespoke solutions on behalf of retail and institutional clients around the world and includes Asset Allocation, Liability-Driven Investing, Liquid Alternative, Beta Management and OCIO / Fiduciary Solutions for pension plans. Asset solutions include target risk, target date and a wide array of strategic, tactical and absolute return multi-asset class portfolios that are highly customizable depending on client objectives.

Based in Hong Kong, Paul is responsible for providing client portfolio management support to Manulife Investment Management's regional multi-channel sales distribution teams.

Paul has 21 years of financial industry experience including 17 years based in Asia. He was previously with DWS Hong Kong where he served as Investment Strategist across multiple asset classes for Asia. Prior to that, Paul worked in the research departments of AM Capital Limited and CLSA in Hong Kong. Earlier in his career, he worked as an investment writer for JPMorgan Asset Management in both Hong Kong and London.

Paul holds a Bachelor of Arts in Business Studies and French from the University of Sheffield, United Kingdom.
